

EMBU UNIVERSITY

School of Science and Technology

Department of Computer Science

CERTIFICATE OF COMPLETION

This Certificate is proudly presented to

MARY

in recognition of the successful completion of a **Software Development Internship** at **Embu University**.

During the internship, Mary demonstrated exceptional commitment, professionalism, and technical competence in software development. She actively participated in the design, development, testing, implementation, and maintenance of software applications while working with modern software development practices and tools.

Throughout the internship period, she exhibited excellent analytical and problem-solving skills, worked effectively within development teams, and consistently maintained high standards of integrity, responsibility, and professionalism. Her dedication, willingness to learn, and ability to adapt to new technologies contributed positively to the successful completion of assigned projects.

The University acknowledges her valuable contribution and commends her outstanding performance during the internship. We are confident that the knowledge, practical experience, and professional skills gained will serve as a strong foundation for her future career in Software Development.

We congratulate **Mary** on successfully completing her internship and wish her continued success in all her future academic and professional endeavors.
